

Housing Accelerator Fund – Year 2 Results

Town of Three Rivers

As required under the **Housing Accelerator Fund (HAF)** agreement, the Town of Three Rivers is providing a public update on housing supply results for the second annual reporting period.

Reporting Period

January 22, 2025 – January 22, 2026

Year 2 Results (Validated by CMHC)

During this reporting period, the Town achieved **93 net new permitted housing units**, as submitted by the Town and validated by the Canada Mortgage and Housing Corporation (CMHC).

- **44 single-detached units**
- **49 multi-unit “missing middle” units**
- **40 affordable housing units**

Cumulative Results to Date

Since the start of the program, the Town has achieved **185 net new permitted housing units**, representing **67% of the Housing Supply Growth Target** under the HAF Agreement.

The Town’s total target is **275 net new permitted units by the end of Year 3**, with **90 units remaining** to be achieved in the final reporting period.

Ongoing Reporting

The Town will continue to monitor, submit, and publicly report housing permit data in accordance with the Housing Accelerator Fund Agreement. A final update will be posted following completion of the third annual reporting period.
